Advocacy Actions
Beneath is a summary of actions we took in October:

- The Coalition submitted a letter to the Department of Interior requesting the Antiquities Act’s use as a legal tool to designate new national monuments.
- The Coalition continued its engagement in the Oil and Gas leasing program and draft Outer Continental Shelf Energy Management Plan (OCSEMP) and Regional Haze regulations. We provided comments on the OCSEMP Draft Implementation Plan.

Advocacy Actions
Beneath is a summary of actions we took in October:

- The Coalition submitted a letter to the National Park Service and the Department of Interior requesting the Antiquities Act’s use as a legal tool to designate new national monuments.
- The Coalition continued its engagement in the Oil and Gas leasing program and draft Outer Continental Shelf Energy Management Plan (OCSEMP) and Regional Haze regulations. We provided comments on the OCSEMP Draft Implementation Plan.
- The Coalition submitted a letter to the Council on Environmental Quality (CEQ) supporting the James River Transmission Line.

Executive Council Recruitment
Looking ahead to 2023, including the 2022 Annual Report Planning for national monuments and Regional Haze regulations. We provided comments on the OCSEMP Draft Implementation Plan.

Executive Council Recruitment
Looking ahead to 2023, planning for national monuments and Regional Haze regulations. We provided comments on the OCSEMP Draft Implementation Plan.
